Sunday July 1

Float in/drive in breakfast, Arts and crafts show/farmer's market, fishing tournament, basket raffle/Silent auction, relax on the docks, say good-bye to new friends.

Scott
Harris

Scott Harris fought bravely against male breast cancer for almost 4 years. He was a boater for his entire life having grown up boating with his parents at Oak Orchard Yacht Club.

Scott owned several boats over the course of his life and was a member of Eagle Creek Yacht Club. He was an avid golfer and enthusiastic hunter who never missed an opportunity to spend days at "hunt camp" and wait for the "big buck".

He is desperately missed by his wife Karen, children Nick (Nina), Cory, McKenzie (Mathias), grandchildren and his many friends for whom his presence made life fun and easier to bare.

Phil
Lance

Phil Lance ("Canada Phil") battled colon cancer for about 2 years. He began boating as a youth while fishing with family. He held many boating certifications and was a member of Eagle Creek Yacht Club. His boating adventures took him all around Lakes Erie and Ontario and throughout the province of Ontario.

Phil was skilled at skeet shooting and woodworking and ran a successful security business in Canada.

He is sorely missed by his wife Jill, her children and grandchildren, his dad, brothers and many friends who still hear his booming laughter.

Open to the public so please join us. Ride on a boat for the flotilla. Float-ins welcome to tie up for the day or flotilla and donations will be accepted..
